THE BEAR WORKS*

#1

I have 2000 won left. I need to somehow last until the end of the month with this.
Should I ask Dad for an advance on my allowance?
Not Adults aren't people we negotiate with. If we are to ask something from them, we must move their hearts first.
"LIKE THIS!"
I wonder what Dad will say when he sees his son down the kitchen, hungry without being asked?
Hey, Baek-gun, what are you doing?
Ah, I wanted to do this without being noticed, but I guess you caught me! Hiiaha
DRRRR
I can't bail out there because I was going to throw that tantrum over...
What a waste of water... you're so silly

T/N: A Chinese idiom. The bear works, and the money is earned by Mr Wang - ie, the work is done by someone and the reward is earned by another.
